

***Name of Lesson/Programme:***

Sticking and glueing activity

**Section:** Section 9 Art and Craft

**Lesson:** 7

**Purpose:** To increase your child's fine motor skills

**\*MAKE SURE YOUR CHILD IS SUPERVISED DURING THIS ACTIVITY\***

**Materials Required:**

1. Small pieces of paper (different shapes and sizes)
2. 1 sheet of plain paper
3. Glue

**How to:**

**You will need the child to sit next to or directly across from you.**

1. Glue the small pieces of paper onto the page in a random design or order
2. Keep repeating this process until the paper is gone or until the page is completely full.
3. If your child needs help with the sticking and glueing concept use a least to most prompt approach. (Give the least to most help that your child needs)
