

Name of Lesson/Programme:

Transferring Activity

Section: Section 3 Self Management

Lesson: 34

Purpose: To Increase your child's fine motor skills

****MAKE SURE YOUR CHILD IS SUPERVISED DURING THIS ACTIVITY****

Materials Required:

1. Ice Cube Tray
2. Small toys/beads (To fit into ice cube tray)
3. Bowl
4. Kitchen Tongs

How to:

You will need the child to sit next to or directly across from you.

1. To begin, have your ice cube tray, tongs and small toys, beads etc.. ready to go.
2. Transfer the small toys etc..from a bowl to the ice cube tray, using the tongs.
3. Give your child as much or as little help as needed.
