

Name of Lesson/Programme:

Sticky Tape Animal Rescue

Section: Section 3 Self Management

Lesson: 37

Purpose: To increase your child's fine motor skills.

****MAKE SURE YOUR CHILD IS SUPERVISED DURING THIS ACTIVITY****

Materials Required:

1. Animals or toy Figures
2. A selection of different sticky tapes (Some sticker than other making to trickier to get off)
3. Large Bowl or table.

How to:

You will need the child to sit next to or directly across from you.

1. Before you start this activity with your child stick a number of animals and or toy figures to a large surface.
2. Your child will then pull off the tape to free the animals and toys.
3. Use a least to most prompt to help your child if the harder sticky tapes are difficult to get off.
