

Name of Lesson/Programme:

Sugar/ Salt Painting.

Section: Section 9 art and craft

Lesson: 9

Purpose: For your child to complete an art activity using sugar/ salt.

****NB: When using glue and materials, children must be supervised at all times.***

Materials required:

1. Sugar/ salt
2. Food colouring (Different colours if possible)
3. Glue
4. Bowls
5. 1 sheet of paper.
6. Spoons

How to:

Make sure your child is sitting near or opposite you.

1. Begin by putting some sugar/ salt into a few bowls, depending on how many different food colours you have available. Add the food colouring and using a spoon mix the sugar/ salt until its changed colour. This can be done by the child independently or with a least to most prompt. You can add more food colouring to adjust the mixture if necessary.
2. With the sheet of paper you can draw a few designs on the page.
3. Next you'll cover the designs with the glue.
4. After the designs have been covered with glue you can cover them with the various colours of dyed sugar/ salt to your liking.
5. Allow the painting to dry and then you can add the child's name and date the art project.
