

Name of Lesson/Programme:

Cotton bud painting

Section: Section 9 Arts and Crafts

Lesson: 11

Purpose: For your child to complete an art activity using cotton buds improving listening skills and fine motor skills.

***NB: When using paint and materials, children must be supervised at all times.**

Materials required:

1. A sheet of paper
2. Coloured paints
3. Cotton buds
4. An elastic band
5. A plate or bowl

How to:

Make sure your child is sitting near or opposite you.

1. To begin you'll need to get a number of cotton buds and arrange them into a group and tie them together using a piece of elastic band.
2. Next add a few different colours onto a plate or in a bowl.
3. Place a sheet of white paper on the table and dip the group of cotton buds into one of the colours and place it on top of the page making a pattern.
4. If desired you can make a tree using a black marker, creating its trunk and branches and use the cotton buds to create a pattern of leaves.
